

Hey, can I ask you a question...

PART 1 - Law

1. Do you think there is a Heaven after we die?
 - Most people affirm. If they don't then you can ask "Do you believe God exists?"
 2. Since we know there is a God, it matters how we live. So, do you think you are a good person?
 3. Have you ever told a lie?
 4. Have you ever used bad language?
 5. Have you ever been angry or disrespected someone?
 6. We've all done these things and so if God was to judge you based on these things would you be innocent or guilty?
 7. So would we deserve a reward or punishment?
 8. Does that sound like a place in Heaven or Hell?
 9. Since you don't want to end up in hell, how do you think you could avoid your hell punishment?
 - Once the person answers the question above, **hand the conversation over to your partner**, who responds and leads into Part 2...
-

10. What we need is someone else who would take the punishment for us. That was Jesus, that's why he died on the cross, to take the punishment for our sins and he rose from the dead 3 days later.

PART 2 - Gospel

11. If Jesus takes 100% of your Hell punishment, how much would be left for you to take?
12. Where would you get to go?
13. So, why would God let you into heaven?

Now he offers this to us as a free gift and all you have to do to receive this free gift is to simply trust that Jesus died on the cross paying for 100% of your Hell punishment.

14. So if you trust that Jesus has paid for all of your sins now and tomorrow you sin 5 more times and then die, would you go to Heaven or Hell? And why?
 15. But if you don't trust Jesus paid for your sins, where would you end up?
 16. And since you don't want to go to Hell, WHEN should you start trusting that Jesus has paid for your sins?
-

PART 3 - Checking Questions

17. So if you stood before God right now and he asked you "Why should I let you into Heaven?" what would you say?
 18. So, does doing good things play any part in getting you to heaven?
 - Are you now trusting in Jesus alone to save you?
 19. On a scale of 0-100%, how sure are you that you will go to Heaven when you die?
 20. Now, imagine a friend of yours says they are going to heaven because they are a good person, where would they go when they die? And why?
 21. But another friend comes to you and says "I'm going to heaven because of two reasons. The first reason is because Jesus died for my sins and the second reason is because I've been a good person." Would that person go to Heaven or Hell? And why?
 22. Now, remember at the beginning of this chat, what did you think was getting you to heaven?

So, since you were trusting in yourself to get you to heaven, if you had died before this chat, where would you have ended up?
 23. But if you died right now, where will you end up?
-

PART 4 - Christian Living

24. So if doing good things doesn't get us to Heaven, why do we do them?
 25. Do you know how you can find out more about Jesus?
 26. Do you have a bible and do you read it much?
 27. If you ate food only once a week, would you be very strong?
 - Right. We eat food everyday to stay strong physically. Our bible is like our spiritual food.
 28. How often do you think you should read the bible then?
 29. Do you go to church? what kind of church is it?
 30. Do you need to ask for forgiveness to go to Heaven?
 31. Do you need to be baptized to go to Heaven?
 32. Also, think of your family and friends, if you asked them, "What's the reason you'll go to heaven?" what would their answer be?
 33. And since you don't want them to go to hell, how could you help them not to end up there?
 34. So just remind me, if God asked you "Why should I not send you to hell for all the sins you've done", how would you answer?
